

Testing

The screenshot shows the IntelliJ IDEA interface. At the top, the 'Package Explorer' tab is active, displaying a project structure with 'src' and 'test' folders. Below it, the 'JUnit' runner is visible, showing a progress bar and the text 'Finished after 11.058 seconds'. The 'Runs' section indicates '62/62' tests passed, '0' errors, and '0' failures. A green bar at the bottom represents the progress of the test run. The 'Test Results' window at the bottom lists the following tests and their durations:

- > CustomerDAOTest [Runner: JUnit 5] (3.417 s)
- > ItemDAOTest [Runner: JUnit 5] (1.446 s)
- > OrderDAOTest [Runner: JUnit 5] (3.601 s)
- > IMSTest [Runner: JUnit 5] (0.799 s)
- > OrderedItemTest [Runner: JUnit 5] (0.004 s)
- > CustomerTest [Runner: JUnit 5] (0.008 s)
- > ItemTest [Runner: JUnit 5] (0.006 s)
- > OrderTest [Runner: JUnit 5] (0.006 s)
- > OrderControllerTest [Runner: JUnit 5] (0.132 s)
- > OrderActionTest [Runner: JUnit 5] (0.001 s)
- > CustomerControllerTest [Runner: JUnit 5] (0.017 s)
- > ActionTest [Runner: JUnit 5] (0.001 s)
- > ItemControllerTest [Runner: JUnit 5] (0.064 s)
